Telegraph Nachrichten

Correspondenz des 'Geralt' aus Irland.

Wichtiges aus Mexico.

Congress-Verhandlungen.

Die Ergänzung der Reconstitutions-Bill.

Kabel-Nachrichten.

New York, 13. März.

Eine Correspondenz des 'Geralt' aus Irland enthält eine logische Schlussfolgerung, dass derjenige, welcher die Revolutionen in Irland zu unterstützen, die täglich in der irischen republikanischen Presse veröffentlicht werden, die irischen Organisationen als Heile eines großen Ganzen nach einem wohlentworfenen Plane theilnehmen.

Obwohl er viele Tage vor dem letzten Ausbruch schrieb, so gab er doch gerade den Tag an, an welchem derselbe stattfinden sollte und gibt einen klaren Entwurf der vorzunehmenden Operationen, wie Zerstörung der Eisenbahnen und Telegraphendrähte mit Ausnahme des atlantischen Kabels.

Am Tage von Chester, sagter, war Alles vorbereitet zu einem großen Schlage; 2000 kriegsfähige Männer aus den Fabriken Englands waren ihr Handwerkszeug und waren bereit, nach dem Schusse aufzubrechen, um in einem verfallenen Schiffe 30,000 Büchsen und eine bedeutende Quantität Munition aufzukaufen und von höchstens 40 Mann unüberwältigbar zu transportieren zu können. Diese Männer kamen wirklich in Chester an und die Regierung geriet in den heftigsten Schreden. Aber der Nachfolger J. A. Stephens, welcher gerade in diesen Augenblicken eingetroffen war, ein energischer Officier, kam gerade aus England an und führte, sobald er die Sachlage erfuhr, Dr. Stephens, nach dem Angriffe zu unterlassen. Er kam gerade zur rechten Zeit an; ebenso die Befehle nach allen Theilen von Irland, außer nach Kerry, wo dieselben zu spät eintrafen.
